### Directions to the Sale

Take exit 95 off Interstate 57. Go East on Route 15. Wayne City is located 15 miles East of Mt. Vernon. Barn is located 2 miles West of Wayne City on the South side of the road.

### Terms of the Sale

Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids. All cattle are to be paid for by the purchaser immediately after the sale.

### Guarantee

Cattle sell under the terms and conditions of the American Hereford Association. **EPD's are current as of 2-21-24.**

### Liability

Each animal will be at the buyer's risk as soon as the animal is sold. Precautions will be taken for the welfare of the cattle sold. Neither the owner nor the sale staff can be held responsible for accidents.

### Registration Certificates

It is the buyer's responsibility to give the clerks the correct name and address for transferring purchased animals. Certificates will be mailed from the American Hereford Association at the seller's expense.

### ATTENTION JUNIORS...

While you are shopping for this year's heifer at today's sale, remember the Heart of America Hereford Association offers awards for heifers purchased out of this sale. In order to qualify, your heifer will have to win one of the following:

### PRIZE MONEY

CHAMPION: **\$50**  
RESERVE CHAMPION: **\$25**  
CLASS WINNER: **\$15**

*One show per exhibitor per show season. Please contact Kevin Babbs if you have won any of the above so we can get you paid, and we can recognize you at the sale.*

### Health

Health papers will be furnished for each animal sold.

### Catalog Material

All announcements at the sale by the owners or the auctioneer concerning the cattle will take precedence over statements in the sale catalog.

*Kevin Babbs, as sale manager, acts only as an agent for the sellers and has no responsibilities other than those involved in conducting the sale.*

If you are looking for a bull that will add mass and body to your herd don't miss this one on sale day. Woodbury was always a favorite from our fall calf crop. Not only did he stand out from a body and mass perspective but he also catches your eye from the profile. We are excited to offer him up in the spring sale and feel that he is one of the best bulls we have offered in this sale.

A must see, easy fleshing, son of Rose (RST GAT NST Y79D ROSE 7B ET). Rose has truly shown what she can do for us with this group of calves. The flush to Mighty has been no different than any other. Her progeny are full of growth and are easy fleshing. Maximus is ready to go out and produce on pasture or for your feedlots. He has a nice balanced set of numbers. Make sure to note his low birth weight calving ease numbers. Don't overlook this one to put on a group of commercial black cows.

Dark red, well marked April heifer that not only can be competitive in the ring but is gonna make a momma cow you're gonna want to leave by the road for everyone to see. She has been in the keeper pen all along and we passed up numerous opportunities to sell her last Fall. After several long discussions back and forth we decided if we are going to consign heifers to a sale we want them to be our best and this one definitely checks that box. A competitive show heifer, awesome cow potential all wrapped in one package. Buy this one with confidence and take her home and let her make you money.

If you are looking for one with cow potential then look no further than 53L. This female has been one of my favorites. 53L goes back to one of my late father-in-laws last cows he purchased from Arlyn Rabideau. To this day, we still have many daughters and granddaughters to that cow in the herd, and boy do they flat make momma cows!

Wanda is a maternally-made, functional show heifer that will make a great cow in production! Her dam is a Stockman daughter that has produced fantastic heifers for us year after year. This heifer is likely the last we are selling out of her sire, 24B, as we have retained several sisters for production, so take advantage of these genetics for your own herd! Video to be listed on [www.parishfarms.com](http://www.parishfarms.com).

Ms. Authentic is a stout made female that screams brood cow. She is out of one of my favorite cows that is 11 years old, and still a productive cow in the herd. The only reason for selling is simply she is out of our herd bull. She was observed bred to the Lot 1 we have in the sale on 12/31 and confirmed by the vet to that date. She is due October 10.

This goggled-eyed stunner is one that is hard to let go of. Her dam (Remi) hung several banners for the kids and was reserve division champion at Illinois State Fair in 2021. Bred to calve in May to the ever popular Coyote Ridge bull Divergent. We feel like this mating is going to be top notch. This first calf heifer has all the bells and whistles and a bright future. This high performing 33Z daughter is one of the last products of Arlyn Rabideau's herd. She is built right from the ground up, and has tremendous rib shape and capacity. Her November Long Range heifer calf is evidence of the maternal power she brings to the table. This calf has had a high quality look from day one. She has the extras needed for a show project, while still having the fundamentals required to be a great replacement!

**Lot 28A: November heifer calf, sired by Long Range.**

Be sure to check out this nice young cow. She has a good udder and always raises a nice calf. The boys have decided to change up genetics, which is why she is being offered in this sale. Sara was pasture exposed to the Benton x Coca Creme sire that we purchased from the Jensen family this year. With what we have on the ground already this mating will not disappoint. She could calve by sale day or shortly thereafter.
