HERE'S HOW IT WORKS

BROOKLYN GRAHAM
812.530.0748
brooklyn@liveauctions.tv

Go to www.LiveAuctions.tv. Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1st, 2020 you will need to click "Register" in the top right corner of the homepage and create a new account. Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message into the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.

If you need help registering to bid or to view the auction please call Technical Support at (682) 816-4900 or e-mail us at TechSupport@LiveAuctions.tv.

DIRECTIONS TO THE SALE

Sale facility is located on the north side of Route 16,
just east of Shelbyville.

ATTENTION JUNIORS

While you are shopping for this year's heifer at today's sale, remember the Heart of America Hereford Association offers awards for heifers purchased out of this sale. In order to qualify, your heifer will have to win one of the following:

PRIZE MONEY
Champion: \$50
Reserve Champion: \$25
Class Winner: \$15

One show per exhibitor per show season. Please contact Kevin Babbs if you have won any of the above so we can get you paid, and we can recognize you at the sale.

TERMS OF SALE: CASH

Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids. All cattle are to be paid for by purchaser immediately after the sale.

GUARANTEE

Cattle sell under the terms and conditions of the American Hereford Association.

LIABILITY

Each animal will be at the buyer's risk as soon as the animal is sold. Precautions will be taken for the welfare of the cattle sold. Neither the owner nor the sale staff can be held responsible for accidents.

REGISTRATION CERTIFICATES

It is the buyer's responsibility to give the clerks the correct name and address for transferring purchased animals. Certificates will be mailed from the American Hereford Association at the seller's expense.

HEALTH

Health papers will be furnished for each animal sold.

CATALOG MATERIAL

All announcements at the sale by the owners or the auctioneer concerning the cattle will take precedence over statements in the sale catalog.

Kevin Babbs, as sale manager, acts only as an agent for the sellers and has no responsibilities other than those involved in conducting the sale.

- Chance and I decided to flush 3217 and we are so glad we did.
- This goggle-eyed bull and his flushmates are impressive. With several maternal siblings lining up as replacement females and walking sires in our herd, this bull is being offered to you.
- He is a bull that will add pounds and quality. Starting at just 79 lbs. actual BW, he has matured into a big, powerful, stout bull that is sound and functional. We are truly excited to offer another high-quality herd sire in this sale.

- 2307 is just a May baby and just starting to come to her own.
- She has the making to be a nice replacement heifer with her overall volume and soundness or make a young showman a nice shop prospect with her added look and attractiveness.

- Here is a fancy April heifer who may be a little green still but is definitely coming into her own. She is extended through her front, straight in her lines, square down her top and out through rump.
- She will find her place in the show ring as a heifer and then perform well in the pasture as a cow.

- Here is a rugged early January heifer that has cow power written all over her.
- She is long spined, big middled, good footed and adequate in her muscle and thickness as well. Her dam has the history of producing calves that have vigor, gain well and heifers that milk well. She will make a good show prospect and an even better cow.

- Really nice pedigree on this bred female.
 - She is out of our Calabar herdsire from Kevin Jensen that is out of the MSU Rachael 58Z donor cow.
 - He adds loads of muscle and always has super correct calves. This female is no exception. On the bottom side, Reese is sired by a Sandhill Farms herd bull and is out of our "Raven 610S" cow that was Reserve Grand at the 2007 state fair.
 - Confirmed due on March 1, 2024 to FTF Powerhouse 111J from Falling Timber Farm in Missouri — He is a calving ease bull that was our pick from their sale last year.

- This female was a favorite around here since day 1.
- She is sired by our Calabar herd bull and out of the very first show heifer we purchased from Scott Torrance.
- She was able to win multiple preview show and state fair divisions as a fall calf and as a senior yearling over the course of two years. This young cow has a lot of future to her! We are retaining two females from this cow family in our herd.
- Confirmed due on Jan. 4, 2024 to our new herdsire, FTF Powerhouse 111J, from Falling Timber Farm in Missouri — he is a calving ease bull that was our pick from their sale last year. We are excited to see what this calf looks like for the new owners.

- A beautiful Pioneer daughter!
- She is a big-ribbed, easy-maintaining cow with good feet and a tidy udder.
- T1H always stamps her calves with extra presence and looks to go with the performance and longevity we love in our Pioneer cows.
- Bred AI on May 31, 2023 to LCX Perfecto 11B ET, then pasture exposed to WM 23E Mandate 118. Checked safe to LCX Perfecto 11B ET, expected due date March 8, 2023.

- This young cow is one of the most consistent producers we have and just weaned off one of the heaviest bull calves we have ever raised.
- She is an Easy Money out of Right Tracks dam bred to our Catapult 109 x MSU Rachael 58Z son. She was shown very successfully as a fall calf and as a senior yearling, winning her division multiple times.
- I will admit that this one is tough to let go. We just don't have the room to keep many cows!
- Ultrasound confirmed heifer pregnancy due on April 15, 2024 to our herd bull, KJ 58Z Calabar 156F ET — he is a half-brother to the Contender bull from Kevin Jensen out of the record selling MSU Rachael 58Z donor now owned by GKB in Texas.
